

THINGS TO CONSIDER:

When Leaving Your Job

We live in crazy and chaotic times. Decisions you might have made years from now have been brought to your doorstep today. We get it. The frustration, the fears, and the new reality facing your choices change your future. The Financial Enhancement Group helps reduce financial regrets. We would be honored to help you navigate the tough decisions ahead of you. To start the conversation, we have provided a checklist of seven starter questions (there are 23 we go through to help guide your decision) of things you need to consider.

THINGS TO CONSIDER: WHEN LEAVING YOUR JOB

- 1 Do you love your job and are you happy still working?
- 2 If you accept the offer, will you more than likely take another job?
- 3 If you refuse the offer, is there a possibility of being laid off or eventually let go?
- 4 How is your health and the health of your spouse?
- 5 Have you determined your standard of living costs?
- 6 What is your strategy for health insurance going forward? Cobra?
- 7 How will the cash lump sum impact your tax return this year and going forward?

There are many more things to consider before leaving your job. To learn more about those things, scan the QR code here!

We help reduce financial regrets, and few issues are more regrettable than simple strategies that were overlooked and are no longer an option.

Your beneficiaries and your spouse will thank you for investing your time.
